PALLET LOADING STANDARD AVAILABLE

CGATS.7, the revision of Graphic technology - Pallet loading for printing materials, is available from NPES for \$15 in print or electronic formats. The standard specifies the stacking, unitizing, protection and labeling of palletized printed materials. It also specifies the functional design of pallets methods of loading them onto delivery vehicles.

Visit <http://www.npes.org/standards/orderform.html> to order the new standard on line, or call the Publications Department at 703/264-7200. For more information on the NPES Standards Program, visit the Standards Work Room, <http://www.npes.org/standards/workroom.html>, call 703/264-7200 or e-mail standards@npes.org.
