**Background**

Dear National Member Bodies,

The secretariat of ISO/TC 130 initiates herewith the **Call for Experts for ISO/TC 130/TF 2 Postpress**.

**The National Member Bodies are requested to nominate interested experts via the ISO Global Directory (ISO GD). Please submit complete contact details if possible (e.g. Company name and address).**

As agreed with resolution 394

*ISO/TC 130 accepts the offer of China to lead an ISO/TC 130 Task Force to investigate the appropriateness and extent of a possible new work item in the area of postpress issues in printing. Ms Elaine Xiaohu HE, China is accepted to lead the Task Force "ISO/TC 130TF2 Postpress".*

*the Secretariat is pleased to inform you that ISO has provided an area in Livelink for the work of this Task Force.*

*The aim of TF 2 on Postpress is to determine requirements for standardization in this field by taking into account existing national standards. Based on surveys and discussions in this Task Force it is intended to develop a scope and the framework for futur projects to be adopted as ISO publication (ISO, TS or TR).*

*After approval of a first new work item this Task Force will be disbanded and*

*moved to a Working Group according to Resolution 377 (Beijing).*

*Kind regards*

*Karin Winkelmann  
Secretariat ISO/TC130*
